

NORTH ELEVATION · TRUSSES AND FRAMING

Looking south | East left · West right | Roof and wall cladding hidden

Dark: north framing at Y259 in. Pale: framing beyond, shown for context.

Linked to frame-spec.json → COMPAS joint graph and member model. Includes corrected east supports; S2-S3 braces removed.
Geometric study; joint detailing and structural sizing remain unresolved. Mesh projection with depth ordering; not a fabrication drawing.
