DRAWING BASIS

Existing outline

Earlier measured plan and opening locations.

Walls shown in very light gray.

— Property lines

East: 12 in beyond existing east wall.

North: 82 in beyond existing north wall.

Lines located from your stated clearances.

— East limit

Truss outside edge: 4 ft from property line.

Full truss width extends inward (west).

Member width remains to be set.

— North wall

Wall outside face: 5 ft from property line.

This is 22 in north of the existing wall.

No additional inset.

NORTH ROOF OVERHANG

2 ft 3 in beyond the north wall.

Roof edge: 2 ft 9 in from property line.

Dashed amber line shows this edge.

ROOF LAYER / TO DEVELOP

Remaining roof outline and slopes to follow.
