ASSUMPTIONS & LIMITS

Loft +106"; pivot +88"; level outside landing at 0". Heights and 50° pitch are illustrative, not adopted or code-approved.

Plan posts retained. Treads and rails schematic, not a stair schedule. Fixed steps, platform and mechanism require design.

Loft is only 7¹/₂" above existing wall top. Retained roof / beam / deck fit needs a transverse section; upper roof omitted.
